

- Legend**
- Development Boundary
 - Extent of Area Available For The Works
 - Temporary Hard Standing

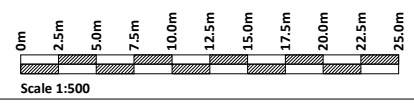

Loads will overrun and oversail into third party land to the south west of the road where a load bearing surface will be laid.
The land will be re-profiled and the hedge removed.
All overhead utilities and obstructions will be removed.

- Notes:**
1. For planning purposes only. Not for construction.
 2. Existing verges requiring temporary load bearing work shall be fully reinstated to their original condition following delivery of turbines.
 3. All third party public & private infrastructure including pavements, street infrastructure, drainage and services shall be adequately protected throughout the proposed works and reinstated to their original condition following delivery of the turbines.
 4. Existing public road drainage patterns shall be maintained at all time throughout the works.
